For the last five or six seasons, the so-called Inverted Veer (also known as the Power Read) has been one of the most effective plays in football, and it has been the weapon of choice for some of college football's greatest talents, including Cam Newton and RG3 and now Lamar Jackson, Deshaun Watson and Jalen Hurts. Yet, as is always true in football, defensive coaches do not stand idly by ...

The Arena Football League (AFL) is a professional indoor American football league in the United States. It was founded in 1987 by Jim Foster, making it the third longest-running professional football league in North America, after the Canadian Football League (CFL) and the National Football League (NFL). The AFL plays a proprietary code known as arena football, a form of indoor American ...

Madden 19: Los Angeles Rams Player Ratings, Roster, Depth Chart, & Playbooks - RealSport

The following is a list of common and historically significant formations in American football. In football, the formation describes how the players in a team are positioned on the field. Many variations are possible on both sides of the ball, depending on the strategy being employed.

List of formations in American football - Wikipedia

Reading the Defense- It is important that both the quarterback and the receivers be able to read the coverage of the defense. The quarterback needs to be able to choose the receiver he is going to throw the ball. The receivers need to be able to recognize the coverage, too, so that they can make necessary
