Poverty International Migration And Asylum

These efforts also arose after a considerable history of the United States excluding immigrant groups based on race and ethnicity – efforts exemplified by the Chinese Exclusion Act of 1882. In wartime, the United States used national security concerns to justify its refusal to offer refuge to German Jews.. The modern international legal framework for asylum and the U.S. Refugee Act of 1980 ...

A history: Asylum in the United States | Southern Poverty ...

Extreme poverty, abject poverty, absolute poverty, destitution, or penury, was originally defined by the United Nations (UN) in 1995 as "a condition characterized by severe deprivation of basic human needs, including food, safe drinking water, sanitation facilities, health, shelter, education and information. It depends not only on income but also on access to services."

Globalisation. The Compendium of the Social Doctrine of the Church (2004) points out that globalisation has the power 'to produce potentially beneficial effects for the whole of humanity', as a result of the growth that has been made possible through the interplay between economic-financial globalisation and progress in technology. (Compendium, paragraph 362)

Glossary « Catholic Social Teaching

Migration is the movement of people, either within a country or across international borders. The drivers and impacts of migration are intimately linked to FAO's global goals of fighting hunger and achieving food security, reducing rural poverty and promoting the sustainable use of natural resources. FAO has a unique role to play in reducing rural migration, in view of its experience in ...
